

## How can I use EZClaim on a Apple Mac Computer

### Information

EZClaim is not compatible with the Mac operating system. EZClaim will only run on Microsoft Windows. If you have a Mac computer and need to run EZClaim, you will need to use either 'Boot Camp' or 'Parallels.' These are programs that allow you to run Microsoft Windows on a Intel based Mac computer.

### Requirements

- Intel based Mac computer
- Boot Camp or Parallels running Windows XP or Vista or Windows 7
  - <http://www.apple.com/macosx/features/bootcamp.html>
  - <http://www.parallels.com/>
- EZClaim Advanced 7

### Support

EZClaim cannot answer questions or provide support on Boot Camp, Parallels, or installing Microsoft Windows.
